

Rosegrove Nursery School – September 2022

Children are powerful, capable individuals who embrace learning

Communication between school and home

All the children will have very busy and fun days at Nursery School but they might not always tell you what they have been doing when they get home! We have different ways to help with this in Nursery School such as Newsletters, Facebook (which can be read on our website if you do not use Facebook), text messages and emails.

If you ever have any concerns, please do not hesitate to email your child's key worker or telephone the school. We are looking forward to starting our 'Stay and Play' events again this term and also inviting you into school for a Parents Meeting before the October half-term holiday. More information about these events will be sent home soon.

We send home many messages via text throughout the year so if you change your telephone number, please tell the school office.

Breakfast, Lunch and After School Clubs:

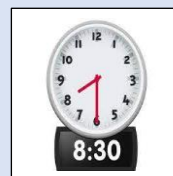

Nursery School is open from 7.30am – 5.30pm so if you need your child to stay for additional hours then please ask. A price list is available on the school website.

Starting the Nursery Day on Time:

Nursery School starts at 8.30am and 12.30pm every day.

Phonics is taught at the start of the Nursery sessions every day. Phonics is an essential part of our reading curriculum and children at this time are learning the many skills they will need to be fluent readers and confident writers in the future.

Please try start the Nursery day on time so that children don't miss their phonics lessons.

Collecting children from Nursery: If someone different is collecting your child from Nursery, even if they have been given the password, please can you call the school office to let us know.

Names on Clothing: Lots of children have similar clothing or uniform which unfortunately can get mixed up or lost. Please write your child's name on all clothing and footwear that your child brings to Nursery so that we can return this to you at the end of the day.

Welcome to our
new school year!
We hope you all
had a fantastic
summer holiday!

Library

All children will need a 'Green Nursery Book Bag' which should be brought to school every day. This will be used to send home letters and pictures and will also keep a library book safe. Library books will be changed in Nursery School every week by your child's key worker. Further information about our reading competitions and the day your child will be changing their library book will be sent home to you soon. Books bags can be purchased from the school office for £5.50

Spare Clothes: Nursery can be a messy place! Please make sure your child has a spare change of clothes, including underwear and socks, on their coat peg at all times (bags are provided for all the children).

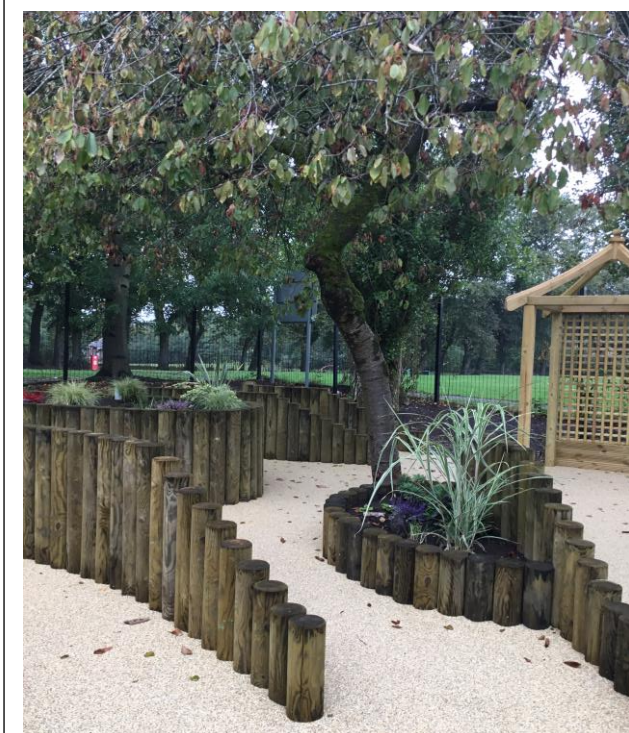

Staffing Changes: There have been some changes to the staffing in Nursery this term. Breakfast Club will be led by Leah and Sam. After School Club will be led by Leah and our new TA Apprentice, Caitlin who will be completing her training with us. Caitlin will also be working with the children every afternoon in Nursery School.

Teaching and TA students will be supporting the children throughout the year.

Outdoor Learning!

At Rosegrove Nursery we encourage the children to learn outside as much as possible. In the summer holidays the builders were busy working to create an amazing outdoor space for the children to explore!

During the weeks commencing 3.10.22 and 10.10.22 you will be invited to attend a Parent Meeting in Nursery School. This meeting will be with your child's Key Worker. They will share with you video of your child in Nursery School and discuss your child's interests and next step in their learning.

Appointment times will be sent home via text message to the primary contact on your child's record.
