

Rosegrove Nursery School – January 2023

Children are powerful, capable individuals who embrace learning

Happy New Year and a warm welcome to all our new children and families joining Nursery School this term!

Staff in Nursery School have developed a School Curriculum which will support your child's learning and development throughout their time at Rosegrove Nursery School. Further information about our curriculum, the Image of the Child and how your child will be taught can be found at www.rosegrove-nur.lancs.sch.uk/curriculum

In January the children will be learning all about Winter time and finding out about animals that live in very cold places.

Communication between school and home

All the children will have very busy and fun days at Nursery School but they might not always tell you what they have been doing when they get home! We have different ways to help with this in Nursery School such as our website, Facebook, text messages and emails.

If you ever have any concerns, please do not hesitate to email your child's key worker or telephone the school. We are looking forward to seeing you at our 'Stay and Play' events again this term and also inviting you into school for a Parents Meeting before the February half-term holiday. More information about these events will be sent home soon. Copies of your child's observations and learning stories will be sent home before the Easter holiday.

We send home many messages via text throughout the year so if you change your telephone number, please tell the school office.

Primary School Admissions 2023

School places for September 2023 need to be applied for by **15 January 2023**. You can apply online at: www.lancashire.gov.uk/schools

School Fund Contributions: This term's School Fund contribution will be collected using Parent Pay from Monday 9th January. Last term the fund was used for many things including the Magician for the Christmas Party, Christmas Presents and treats. Thank you for all your support.

Spare clothes: Nursery can be a messy place! Please make sure your child has a spare change of clothes, including underwear and socks, on their coat peg at all times (bags are provided for all the children).

Wintery Weather

We will do everything we can to keep the school open throughout the winter season. In the cases of extreme weathers, it is sometimes necessary to close the school to ensure the Health and Safety of pupils, families and staff.

If school was to close, you would be notified by text message and a post will be made on the school's Facebook page and website. The Lancashire County Council website will also have details of any School closures. www.lancashire.gov.uk

Healthy Eating

Attached to this newsletter is a copy of our new Healthy Eating Policy. This policy has been written to support parents and carers when making packed lunches for children to eat in school. As a school, we are aiming to reduce the amount of sugar the children are eating and also the amount of food that is thrown away every day. Please help us with this by reading and following the advice and information in the policy. Thank you

W/C 23rd January – Parent Meetings in School. More details will be sent home soon.

W/C 6th February – Phonics Trail. More details will be sent home soon.

Friday 10th February – School closes for the half term holiday and re-opens on Monday 20th February.
